Meeting Notes

By Dick Metcalf

The December meeting was the annual Christmas Party meeting. **Paul Goff** begin the meeting with a warm welcome to members and their spouses. **Gary Smith** gave the treasurers report stating the club had \$1418 in the bank and was doing well. **Chuck Smith** gave the Editors report stating that the pictorial directory was up and running and is being upgraded. **Frank Tureskis** said Mrs. Ryan called to say that she wanted to donate movies and other items to the club. Frank will keep us informed. **Roland Folsie** announce that Elsie Fox had an operation on Thanksgiving day and would be coming home tomorrow. She is doing just fine.

Paul said December is the month for nominating new officers. There were delays in getting the committee going but he was glad to announce that **Roland Folsie has agreed to be our new president** and will take office in January.

Roland said he thinks everyone realizes that our membership is down somewhat and wants to have the January meeting as a organizational meeting to get input from the members regarding the planning and organizing of club activities. His goal is to get more involvement of the members. He would like us to breakup in groups and get all of the programs for the entire year established— with as much detail as possible— but at least by topics. Then, we'll all know at the January meeting what is planned and expected for the entire year and work to see that the program is successful.

The drawing began for spouses and the prizes included a bud vase, napkin holder, band saw box, pens, pen and pencil sets, and pottery. The prizes for members included a \$50 and several \$25 Gift Certificates from Lowes, and a paid membership for 2010.
