Notes and comments by Dennis Gross

The December meeting was our annual Christmas dinner held at Bella Milano's . For members and their significant others. We were provided with a menu of seven (7) pre-selected) items to choose from. Most came with a salad of your choice. We had a keyboard player play Christmas songs in the back ground making it very easy to communicate with the parties around your table. Each member made a gift for the spouses which they were able to choose from, when their ticket number (distributed earlier) was called. The members also received either a Lowes or Menards gift card at that time. There was very little business discussed, mostly it was a nice evening with our spouses and fellow woodworkers.

A guests and his spouse attended our dinner meeting and decided to become a member. He is: Jay Lovelace from Auburn - and is new to woodworking, hopefully he can pick-up some tips from our members.
